To whom it may concern:

I am writing to recommend Advanced Precast Inc. to you as a qualified and reputable contractor.

We have found their work to always be extremely satisfactory and always done in a timely and professional manner. Advanced Precast Inc, completed their work in accordance with all codes, specifications and drawings.

With our projects being somewhat challenging the Architect- Contractor coordination and communication provided by Advance Precast resolve many of the issues ahead of time.

Based on our experience with the company we can highly recommend the service of Advanced Precast Inc in any venture.

Yours truly,
MAYSTAR GENERAL CONTRACTORS INC.
