**Re: ADVANCED PRECAST INC.**

Advanced Precast Inc. has been a valued subcontractor on many of our projects dating back over fifteen years. They have worked on such projects as Port Royal Place, The Vivid and St. Regis. They continue to work with us on the Bluwater Residences and Neon Condominiums. Advanced Precast Inc. works on our projects in a timely, efficient and safe manner.

The Advanced Precast Inc. team includes experienced estimators, management & field people. Doing so is what makes them a leader in the industry. They organize and run projects so as to help the Developer expedite their Projects in a timely manner.

If you have any questions, please do not hesitate to contact me.
